*Dear Mrs. Stinson*

I am writing following your recent section 5 inspection. Although your school was judged to require improvement overall, I was pleased to see that your leadership and management were judged to be good.

It is clear from the inspection report that you have accurately identified the key areas in need of improvement in your school. Your successful actions have already made sure that early years provision remains strong and that these children are making good progress. It is particularly pleasing to read that phonics is well taught, as this is such an important cornerstone in a child's journey towards becoming a fluent and confident reader. I am also really pleased to read about the good behaviour of the pupils and how you and your staff have promoted pupils' personal development, which is clearly a strength of your school.

I know that you and your team will be continuing your good work. I hope this will be reflected in your next inspection outcome, probably in two years' time or so.

In the meantime, I have asked Cathryn Kirkby HMI, Regional Director, North East, Yorkshire and Humber, and her Senior HMI to be available if you wish to discuss your progress.

Yours sincerely

*Amanda Spielman*
